All HR residents and friends are invited to the **HRCF (Highlands Ridge Christian Fellowship) gathering on Sunday afternoon, May 5 in the Activities Room #1 at 3 pm.** This is our final meeting of the season and will feature another lighthearted and inspiring video by Dennis Swanberg: "Get Over It...and Laugh!" Come for an informal fellowship of popcorn and fun as we bid farewell to the snowbirds and love the Lord together.

### The Ridge Report

By: Birdy Whitehouse, *Property Manager* ~ [birdy@highlandsridge.com](mailto:birdy@highlandsridge.com)

Hello everyone! Well, there has been a lot going on in Paradise.

We have had 20 resales of homes in Highlands Ridge since the beginning of the year! Four of those homes were in Marina Cove. A big welcome to those new residents! We are positive that you will love living here in Highlands Ridge!

Updates in the amenities area include:

1. 20 new white vinyl strap chaise lounges at the Golfside Villas pool deck area in April
2. 4 new white metal tables w/ new umbrella stands at the Golfside Villas pool deck area in April
3. 16 new white vinyl strap sitting chairs at the Golfside Villas pool deck area in April
4. 4 new white metal tables with new umbrellas at Founder's hall pool deck area in April
5. new shingled roof at the Founder's Hall area little gazebo in March
6. cleaned carpets and vinyl floors in Founder's Hall on 04.26.19
7. Carter Creek Drive will be resealed starting on 04.29.19 (this includes all of Carter Creek from the north course to the south course)

I would like to reiterate the HR HOA's article about residents picking up after their own pet. It is in the Covenants and the Prospectus of Marina Cove for all residents to keep their pets on a leash at all times and pick up after them. Please help us to keep Highlands Ridge free of dog poop on all vacant land and someone else's lawn.

We just started planning our first and hopefully make this an annual day of "Fun in the Sun Day" in Paradise. Once we have finalized everything, we will send out an email blast and post a flyer. I can say that we are going to have fun with some lawn games, food, and music. We have June 21, 2019 for the date. The time and other important information will be coming real soon!

Please call for an appointment to have something notarized. I notarize documents on a daily basis and some of the documents are pretty lengthy. It is only courtesy to call especially since it is a free service.

Gazettes are combined in the summer months. We combine May-June and July-August and return to monthly Gazettes starting in September. Please remember to submit your article by the 15th of the month to [gazette@highlandsridge.com](mailto:gazette@highlandsridge.com).

## CRITTER CORNER

By: Denise Beauparlant, *Resident*

Mosquito season has begun so it is my annual article on heartworm prevention and treatment in dogs. Heartworm disease is prevalent everywhere, but in the South our dogs are at risk year-round. I use tax day as the annual reminder to get my dog his annual heartworm test. After a negative heartworm test, then I can continue his monthly heartworm prevention medication.

Prevention medication for heartworm disease is inexpensive and easy to administer. It is essential for your dog's life and well being. So many dogs we rescue, even young ones are already infected. Thankfully it is no longer a death sentence, however once infected the treatment is very expensive and hard on the dog. As the heartworms begin to die they are sluffed off into the dogs bloodstream. For that reason the dog must be kept extremely quiet and restrained for many months. This is very hard to do, especially with a young dog. It frustrates us in Rescue because it is so preventable.

My next subject is about microchipping your pet. This has been so successful in reuniting pets to their owners, especially in times of disaster. If we are faced with evacuation orders during a hurricane it is essential for your pet to be microchipped if they are to be boarded or held in a pet shelter. Highlands County Animal Services can microchip your pet for \$10, then it is free to register. Of course you must keep this registration current for it to be effective. As hurricane season approaches Animal Services will probably be setting up microchip events.

Preparing for hurricane season means not only having a plan for yourself, but also for your pet. I write a brief synopsis about each of my pets, along with a photo and include their medical record of recent vaccinations. All is essential not only if you evacuate, but also if you are traveling with your pet. We cherish these wonderful creatures as part of our family, so we owe them to protect them from illness as best we can and also to insure they can be identified if lost.

Pickleball  
By: Susan Ingram

Pickleball anyone? Our little club is growing. We are so happy to welcome seven new players to the Highlands Ridge Pickleball Club. They are: Jeff Costello, Carla Hebert, Cheryl Thompson, Dave and Deb Kendall, Pixie and Jim Koenig. Most of these players are taking weekly lessons and improving everyday.

On April 4, 2019, forty eight met at the Villa Pool for a farewell dinner. We enjoyed a meal from Jimmy Brown Barbecue and The Depot. Thank you Sue Schinderle for putting in the work behind the scenes to make it possible.

We would like to thank Kent and Lou Hendrich for donating a beautiful glass picnic table with six comfortable chairs. The Pickleball players are enjoying a great place to rest between games.

John Eichstadt and Chris Donaghy spent time building us a new backboard for the courts. It's a great way to practice and improve our skills. Thank you to these two fine gentlemen.

Watch for more pics this summer of our Pickleball activities!

### Chaplain's Chat

#### DISCOVER JOY

*Does the "Pursuit of Happiness" satisfy the longing spirit? Should we aspire to more? Life experience teaches us that happiness is only temporary, fragile, depending on what happens, often bruised by disappointment or loss.*

#### JOY CREATED

God created us for JOY – a deep condition of the soul at peace with our Creator, that cannot be shaken no matter what happens.

Creation provided the JOY of a perfect environment (The Garden of Eden), and the JOY of a perfect relationship with our Creator.

#### JOY DESTROYED

Mankind rejected God's love and leadership. JOY turned to despair through rebellion. Our broken relationship with our Creator produced broken relationships with each other. Polluted by sin, we polluted our environment. Fallen man created today's world of war, disease, death – UNHAPPINESS.

#### JOY RESTORED

*Then Jesus came!*

God the Father sent God the Son, we called him Jesus and He called us to reconciliation, forgiveness.

Through repentance and commitment to Christ, our relationship with God is restored, thus healing our relationships with one another! Hatred changed to love and forgiveness restored JOY.

*Paradise Created – Paradise Destroyed – Paradise regained*

*The "Paradise" of JOY*

#### JOY IS A CHOICE

Personally receiving the crucified and risen Christ brings JOY, now and forever.

CHOOSE JOY!

### Book Club News

By: Mary Harden, *Resident*

On April 11th we held our last official book club meeting until the snow birds return to paradise in the fall. In honor of the event, we had lunch at the clubhouse and then adjourned to the patio for our discussion of *The Invisible Bridge*, by Julie Orringer. This author's first novel is lush with detail and both heartwarming and heartbreaking as it follows three brothers whose lives are ravaged by the stigma of their religion and the ensuing war.

Those of us who stick around over the summer may get together for some casual book discussions. I'll keep you posted of any prospective date. All are welcome to join.

Our next official meeting will be October 10th, at 1:30pm, in the library. Our selection for this date is *Where the Crawdads Sing*, By Delia Owens. Set in a quiet town on the North Carolina coast in 1969, *The New York Times Book Review* calls it

"A painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature....Owens here surveys the desolate marshlands of the North Carolina coast through the eyes of an abandoned child. And in her isolation that child makes us open our own eyes to the secret wonders—and dangers—of her private world."

#### More recommended reading:

*Before We Were Yours* by Lisa Wingate. Inspired by a true story, this poignant novel tells of siblings that were taken from their home in Memphis in 1939.

*Dream When You're Feeling Blue* by Elizabeth Berg. Set in Chicago at the time of World War II, it is a wonderful story about three sisters, their lively Irish family, and the men they love.

For those among us who are nostalgic for the days of Camelot, we were recently gifted with a copy of *When John & Caroline lived in the White House*, by Laurie Coulter. It is a lovely picture book combining reminiscences, memorabilia, and rarely seen photographs of the most famous children ever to live in the White House.

**Library News:** We are still looking for more volunteers to assist in re-shelving the books, DVD's, and puzzles returned to the library. Please contact Mary if you are interested in assisting!!

### Highlands Ridge HOA

By: Willie Faye Myers, *Secretary*

Greetings from the HRHOA....

At our April meeting, we welcomed Ron Robinett to the Board. He fills the seat recently created by the resignation of Walt Chevillet.

2019 HRHOA assessments are now past due. Treasurer Dale Huffman noted that approximately 40 homeowners have not paid, and late notices have been sent.

We were apprised by HRH that all doors to Founder's Hall will now be kept locked except for designated functions. PLEASE USE YOUR AMENITIES KEYS TO ACCESS THE BUILDING.

Newly elected Board member Gary Thompson chairs the Architectural Control Committee. Their mission statement reads: "Approvals for additions and/or modifications shall meet the original design requirements (roofs, paint colors, style, landscaping, setbacks, etc.) per Covenants and similar in nature as when the houses in the surrounding Village area were originally constructed to assure neighborhood balance and conformity." The HOA-ACC members are: John Johnson tel: 231 590 1618 [2180jppj@gmail.com](mailto:2180jppj@gmail.com)  
Dave DeSchane tel: 863 314 6949 [dsdeschane@gmail.com](mailto:dsdeschane@gmail.com)  
John Ingram tel: 231 620 9087 [jwikma69@gmail.com](mailto:jwikma69@gmail.com)  
Roger Breliniski tel: 313 212 4342 [marcirltr@aol.com](mailto:marcirltr@aol.com)

If you are contemplating a project, pick up a Highlands Ridge Architectural Modification Application packet from the Administration Office. Once the application is complete, contact 2 of the above ACC members. They will visit you to discuss and review the application. Upon their approval, they will forward to Gary Thompson or Pam Wick for final review. You will receive an email of approval or declination. Do not proceed with the project without an email notice of approval. The Final Review HOA-ACC Members are:

Gary Thompson tel: 847 525 4533 [gcmmic@comcast.net](mailto:gcmmic@comcast.net)  
Pam Wick tel: 510 205 1407 [pwick01@gmail.com](mailto:pwick01@gmail.com)

There have been numerous sightings of residents walking their pets in The Golf Villas neighborhoods, and not picking up their excrement. The Covenants state that Owners must walk their pet on a leash, and must pick up their droppings. Since we do not have a Dog Clean Up Station in that area, it is imperative for compliance for all areas in the Community, not just the aforementioned area.

Regarding Covenants....every HRHOA resident should have received a copy of the Covenants when you moved into Highlands Ridge. Please notify a member of the Board if you DO NOT have a copy. Currently, we do not have a means to disseminate the Covenants electronically; however, it is an ongoing project the Board will pursue to ensure all members have access to the Document.

Our next Board meeting will be May 13, 2019.

Meeting will convene at 4pm in Founder's Hall.

We hope to see you there.

There will be no Board meetings in June, July, or August.

I can't believe the Winter golfing season is almost over. It has been a fun season with a few disappointments, like cancelled events because of rain, but that didn't dampen our spirits. The St Patrick's Day Tournament was held on March 24th with 55 golfers playing "Luck of the Irish". As I look back over the season, the LGA has done so much for those less fortunate than us: shelter days, paper and gifts cards for the Women's Shelter and Mission this holiday season and of course helping out our own community, thru supporting Paradise Pride. Well the end of the season didn't disappoint...the Golf bag that was won during the member guest was donated back to the LGA. Pam Wick and Cindy Becker came up with a great idea to bring in Can goods to get raffle tickets and re-affle the Golf Bag. Congrats to Marilyn Videbeck for winning. The other winner was the food bank, we collect over 400lbs of food and Cindy and Pam delivered the food to a very grateful food bank. We also collected another \$100 for Paradise Pride making our season total \$531.00. On the more somber note: we said good bye and thank you to Deb Reimer for Leading us and keeping us so well organized this past season. While we will miss her at the helm, we are very fortunate to have Deb in the LGA and look forward to playing many rounds of golf with her.

We couldn't let the end of season go by without thanking all the members of the committees that made the season so successful. Georgia Trissell - Treasurer, Pat Olesek - Secretary, Jo Lathwell - Games Chair Standing Committee members: Round Robin: Karen Swan and Sharon Borrell. Choose UP: Cheryl Racicot.

Christmas: Becky Hobbs, Cheryl Racicot and Willie Faye Myers. Welcome back and Farewell Scrambles, Joan White and Pam Wick. Rules Committee: Louise Henrich, Sunshine Committee: Linda Sosely, Auditing Committee: Jo Johnson, Welcome Committee: Pat Olesek, Historian: Judy Edmonds (safe travels and wish you all the best - **you will be missed Judy**) Nominating Committee: Karen Swan, Handbook: Evelyn Seely and Publicity Committee: Willie Faye Myers. Thank you one and all, without you we could not have had the season we did.

We Welcomed Nancy Owens as the new President and Pam Wick as the Vice President while Georgia Trissell will continue as treasurer, Pat Olesek will continue as Secretary and Jo Lathwell will continue as Game Chair. Many of our Standing Committee Chairs have also agreed to stay on and help; but if you are interested in helping, please reach out to a board member and we will get you connected with the right team.

We also acknowledged all of our members who have graced life, and set an amazing example that age is just a number. These are poised, talented and generous ladies that we are proud to call our friends. We only aspire to be them in the coming years. Thank you ladies for all that you do.

We wish all the snowbirds safe travels north and look foreward to the 2019-2020 season.
