Happy 100th Birthday Celebration to Ms. Lee Dixon!!

On January 20th, Onolee Dixon (aka Lee) will have her 100th birthday. She was born in a small town near Jamestown, N.Y. in the southwestern part of New York state. In 1921, the Spanish flu was ending now she is going through another pandemic. In between she has seen a great depression and 4 or is it 5 wars. Her adult life was spent in central New York State. She was married for many years and raised 3 children. Lee and Ted Dixon bought a place here in 1999. Since then, 2823 Mainsail Drive has been her home each winter. You may know her through golf, shuffle board, Wednesday bingo, bunco and I am not sure what else. The last few years, she hasn't been out and about very much because it is hard for her to walk. This year she is staying north because of, you guessed it, the pandemic.

If you would like to help celebrate her 100th birthday, you could send her a note or a card to:

Lee Dixon, 42 Homer Ave, Cortland, NY, 13045.

Thanks to all the people who have helped and befriended her over the years. She very much enjoys everything at Highlands Ridge.

Many thanks to my friends and neighbors for the support you gave us during the last six months of Harold's life. The support you gave us proves we chose wisely when we moved to Highlands Ridge 21 years ago. We have been blessed in so many ways.

With warmest regards, Fran Hooker

To all my Highlands Ridge friends, I want to thank you for thinking of my family and I during the time of our loss. Thanks to all for the many cards, fine food, and just being there for me by calling or coming by. My family and I are lucky to have you! The most important thing is that I want you to know how much our Highlands ridge family has meant to Kate and I. I know you will miss Kate's daily cart rides around the neighborhood doing all of the deputy mayor duties. Memorial will be later and will keep you advised.

Thanks to my Highlands Ridge family, Sincerely, George Lawson

In the past I have written several articles on having a plan in place for your pets should you be unable to care for them, for one reason or another. A few weeks ago I received a frantic call from a dear friend. Both she, and her husband, had been suffering from pneumonia, and it had progressed to a point where they had to be admitted to the hospital. She had never boarded her dogs before, and two of them have medical issues, that need to be addressed several times a day. Thankfully with the help of the “rescue village” we were able to pull together a solution. The moral of the story, have a plan, discuss your plan with reliable friends and family.

Sadly, Sebring Angels Rescue is called upon several times a month to take in a dog that was the beloved pet of someone that has passed away. The family will call and tell us that they have the pet, and although they had promised to keep it if something were to happen, circumstances had changed and that was no longer going to work. It always breaks my heart to pick up that pet, who is already grieving for their person, and now they are going to another home. We work diligently to place these dogs with adopters who have had experience with pet grief. If we get a bonded pair we do our best to keep them together as well. This is another reason to keep your pets vaccinations up to date, and to have them receiving heartworm preventative monthly. It is always easier for us to place healthy dogs, than to place dogs who are suffering from numerous medical problems.

When determining your plan don't overlook the professional boarding facilities here in Highlands County. Both The Dawg House, and Just Like Home Pet Hotel, are excellent facilities who treat your pet as if it were their own. However, before boarding they have a few requirements to keep your pet and the other guests safe. Vaccinations must be up to date including Bordetella (kennel cough) and Canine Influenza (doggie flu). In addition they will need a clear fecal test. For the safety of guests and staff their hours of drop off and pick up are scheduled. Both facilities offer tours, if you are considering including them in your emergency plan. I also recommend that you have your Emergency Pet Plan posted on your refrigerator, in a very obvious place for emergency service personnel to see. This actually gives them authority to call your pet caregiver through implied consent. Remember in the State of Florida, pets are considered property so you must make your instructions for their care clear, concise and written. Best Friends Animal Sanctuary has developed a wonderful checklist, for emergency and permanent care of your pets, which can be found on their website. If this past year has taught us anything, it is to be prepared for the unexpected.

(Weight Accountability Motivation / Behavior Accountability Maintained)

Trying to get rid of those extra Corona Virus/holiday pounds? We have a group that can help. We are a weight loss management group that provides accountability, motivation and behavior modification in order to achieve and maintain your weight loss goals. We meet weekly on Thursday mornings on the screen porch at the back of the 3 Gen's restaurant. Private weigh-in is from 7:30 – 8:00. Meetings are from 8:00 – 8:30. Join us for diet tips, motivation, support on your weight loss journey and fun.

The cost is \$10.00 per year.

Hope everyone is well and keeping safe in this dreadful pandemic. Pickleball players are continuing to come to the courts and safely play even on cool mornings. In fact, one recent cool morning we had so many players that our paddle rotation board was overflowing with paddles and both pb courts were being used.

On December 7th we had our annual membership meeting with 14 people in attendance. Not bad since it was a cool afternoon and some pickleball players were away.

We are looking forward to January when several of our HR residents will be coming back and will be joining us on our pb courts.

Until next month continue to stay healthy and enjoy the beautiful weather here in paradise. All new residents to Highlands Ridge are more than welcome to join us.

LGA NEWS

By: Cindy Becker, *Vice-President* HRLGA18@gmail.com

Happy New Year, Everyone! I don't know about you, but I'm more than happy to be looking at 2020 in the rear-view mirror. On a brighter note, we golfers are grateful we can be outside enjoying the beautiful Florida weather! And, as usual, December was a busy month for the LGA.

On December 2nd, we had our Choose-up, with our "A" players picking the teams. A big "thank you" to Nancy Owens and Willie Faye Myers for organizing this fun event. We also want to give a shout-out to the 9 Hole ladies who participated with us and rounded out the field. We had 56 players – a great turn-out! Since it was a frosty morning, we played in the afternoon, so 3 Gens graciously made our lunches "to go" so we could eat and get out on the links.

Results were:

- 1st place – Evelyn Seely, Cindy Becker, Joann Wise, Rhoda Thiel
 - 2nd place – Karen Swan, Jane Anne Dunham, Joan Bender, Betty Lahr
 - 3rd place – Pat Olessek, Terri Griffin, Cathy Miner, Deb Ouillette
 - 4th place – Sheila Bowman, Willie Faye Myers, Janet Weidemann, Dawn Quay
 - 5th place – Joan White, Louise Henrich, Judy Hoogterp, Deb Morgan
 - 6th place – Rose Epling, Vernie Baker, Nancy Ostapowicz, Susan Beaudoin
 - 7th place – Pam Wick, Cathy Daulby, Donna Landers, Carol (Annie) Ulery
- Graciously excepting the "Spirit Stick" was the team of Becky Hobbs, Shirley Anthony, Cynthia Wucher and Kim Polvino.

On December 7th, we held our Christmas Scramble. Georgia Trissell organized the game and gave us all an early Christmas present by making it a straight scramble, and Becky Hobbs and Willie Faye Myers planned a lovely "basket lunch" after golf, made by 3 Gens. Thank you, Ladies, for a job well done! LGA members donated a generous amount of paper products to give to the New Testament Mission.

Results were:

- 1st place – Marianne Fischer, Terri Griffin, Jo Sienkiewicz, Dawn Quay
- 2nd place – Pam Wick, Sue Thompson, Terry Kalis, Mary Ann Wick
- 3rd place – Ann Meyer, Louise Henrich, Donna Landers, Marian Nielson
- 4th place – Joellyn Hufford, Sondra Wade, Marge Freeman
- 5th place – Georgia Trissell, Joan White, Deb Martens, Lynn Schaefer

We are excited to welcome a new member to the LGA – Amy Nielsen! We are so glad to have Amy with us. If there are other ladies who are interested in joining the LGA, please contact Pam Wick, Cindy Becker or Georgia Trissell, or any LGA member. We are always happy to welcome new players.

We'd also like to thank Marianne Fischer for conducting two workshops on the "Rules of Golf". Marianne knows her stuff, and as we all know, sometimes a circumstance comes up on the golf course that we've never dealt with before. We appreciate that she knows the rules so well and that she is willing to teach us more about them.

Our next LGA event will be the 2X4, which will take place on January 18th and 20th. This is a two-person event, so please sign up with your partner at the North Course. We are doing it a bit differently this year, thanks to Covid. We will not have a luncheon following golf on the 20th, BUT we WILL have a short meeting after golf in the parking lot, so please plan to attend.

And finally, last but certainly not least, we want to wish LGA member Jo Sienkiewicz a HAPPY 90TH BIRTHDAY on January 1, 2021. Jo is renown in the LGA for always hitting her ball in the middle of the fairway, ("Do not belittle the middle!") and for being a fearless putter, ("Hit it like you mean it!"). But most especially, Jo is known for her positive attitude, sense of humor and kind soul. We all love to play golf with Jo!

Here's to the New Year and all the good possibilities it brings!
