The Highlands Ridge Residents Council held their annual meeting on Tuesday, February 9th at 10:15 am at Founder's Hall gazebo.

New Officers were elected at that time. Pixie Koenig will remain as secretary and Bob Master will remain as the treasurer. Jim Haas will be the new vice president and Susan Ingram will be the new president.

The Residents Council has been busy after Holly Jolly and has purchased new pool noodles for the water aerobics class and a new pool leaf rake with 12 ft extension pole for Founder's Hall pool. They also funded a beautification project of minor landscaping across the street from Three Gens restaurant. Donations have been made to the HR Chorale and the Divorce Open.

As you can see your annual dues are being put to good use. We currently have approximately 53 percent of residents paying their dues. If you have not paid your dues of \$5 per person, please drop them off to Bob Master at 4020 Carter Creek Drive. He has a mailbox on his front door. Thank you!

Please consider coming to our next meeting, especially if you have a monetary request that would benefit our little piece of paradise.

Our next meeting will be held at Founder's Hall gazebo on Tuesday, March 9th at 10:15 am. Hope to see you there!!

**Chorale News**

By: Karen O'Laughlin, *Secretary*

HELLO HR NEIGHBORS & FRIENDS

It has been quite a while since I have written about our Chorale. It's hard to believe all that has happened this past year. We have missed you all. We miss all that we used to do here in our Paradise, and we especially miss just seeing and hugging the friends and our chorale family that we rarely see anymore. It's been a different world for what seems a very long time but hope is out there in the form of the vaccines that are becoming more available. Some of our HR family have been lucky to receive one or both of the vaccine while others are patiently waiting (or maybe **not** so patiently!) for their appointment to come up. Whatever the case, things should start to get better sooner than later. We can only hope and pray. In the meantime, we will wear our masks, wash our hands and social distance until this thing has run its course and we can start our new normal.

That being said, we've had many new residents move into our corner of paradise since last year who may not know about our Chorale. So, for their benefit let me tell you about us! We are the Highlands Ridge Chorale. Last spring, we were rehearsing for our 20th Anniversary Concert when we had to shut down due to the coronavirus. We currently have approximately 50 members. We have a phenomenal pianist, Judy Vekasy, that plays our beautiful grand piano for all our rehearsals and of course our concerts. We rehearse every Tuesday afternoon from 3:30-5pm and Saturday mornings from 8:30-10:00am in Founder's Hall. We perform two concerts yearly. Our Christmas concert in early December and our Spring concert in mid-March. They have always been well received and usually are standing room only! There is a lot of talent here in HR! We are always looking for new members, so if you love to sing, please consider joining our family.

We have two extremely talented directors, Sue Shellhammer and Cindy Becker who take us to places we didn't know we could go! We work hard, but love being a part of such a great group. If you would want to join our chorale please contact either director for a quick and painless audition. Their numbers are in our directory. And to the men out there that are hesitant.....don't be! We need more of you too!

We still don't know what the future holds, but we are hopeful that we can get back together in the fall when more vaccines have been given and Covid is waning to a safer mode. Until then, continue singing in the shower or any where you feel the urge. Just know, we will be back.....better than ever!

Animal NewsSubmitted by: Denise Beauparlant, *Resident***CRITTER CORNER**

As we all hope and pray for a return to normalcy, dog rescue has faced both ups and downs with the lockdowns. Thankfully we at Sebring Angels work collaboratively with other rescues, the county Animal Services, area veterinarians, and the local dog club to try to meet the demand for services. Dogs have had to adjust to the entire family being home, just as much as we have. Then when we all return to life, there will be yet another adjustment. In general most dogs appear to be thriving on having their entire pack for companionship all day. Unfortunately in Highlands County many families have faced serious financial hardships, we have worked to try to step up to help where we can. We are members of the Heartland Food Bank, which allows us to purchase pet food at \$.19 per pound, which gives us the ability to help lots of local families. We also work with Heartland Cat Rescue to share these resources with them. Often just supplying pet food allows a family to keep their beloved pet. Saving domestic animals, cats and dogs, is a challenge in a warm climate because they reproduce year round. There are two local vets who offer low cost spay and neuter to try to reduce the population. We obviously do a lot of referrals to both of them.

Thankfully adoptions have increased during the pandemic, probably because people have more time to investigate that dog they have always wanted. Recently we received a grant from the Bissell Foundation that provided us with a software program that facilitates posting all of our dogs on the various adoption websites. The response has been overwhelming. We love the fact that we are able to get these great dogs in a home so quickly.

Since Sebring Angels is a volunteer organization, we are always looking for new members. Ways you can get involved is of course fostering a dog, helping to socialize a dog, delivering food to the needy, transporting dogs to and from the vet, and offering to answer phones or review applications. Being a part of saving a dog's life is very rewarding. They certainly have a great deal to offer us, especially during difficult times. If you are thinking of volunteering, donating, or adding a pet to your family please do not hesitate to contact me at 863-368-0208.

To all our wonderful friends and neighbors,

Thank you doesn't seem sufficient for all the support you have given Denise and I during my recent hospitalization. The dozens of cards, flowers, Fruit baskets, homemade meals have been so appreciated. We both feel truly blessed to have such great people in our lives. Your prayers definitely worked!

God bless you all! Hank and Denise Beauparlant

Happy Valentines Day to all– Its amazing how fast the time is going. Already we are midway through February and the end of the first quarter is almost upon us. That and tax time - UGH!!! For those of us that are snowbirds it is especially fun to file taxes...are the receipts we need here or are they back north? Our daughter who takes care of our home, dislikes this process more than we do because she is the one that has to go hunting for all these items that are missing...and sometimes she is the one missing for obvious reasons.

In the last couple months I have been asked numerous times “What are the specific duties of the Officers of the Board of Directors. I am providing the duties as written in the book “Robert’s Rules of Order”.

President - Presides at all meetings of the Board of Directors; sees that orders and resolutions of the Board are carried out; shall sign written instruments, if determined by resolution of the Board and shall co-sign all checks .

Vice President – Shall act in the place and stead of the president in the event of his or her absence inability or refusal to act, and shall exercise and discharge such other duties as may be required of him or her by the Board of Directors.

Secretary – The secretary shall record the votes & keep the minutes of all meetings & proceeding of the Board & of the Members; obtain & retain a Director’s written affidavit of certification or completion of educational certificate for inspection by members for 5 years after the Director’s election or appointment. Keep and maintain, and secure the Official Records of the Association within the state of Florida for a period of at least 5 years, and shall perform such other duties as may be required by the Board of Directors.

Treasurer – Shall receive an deposit in appropriate bank accounts all monies of the association and shall disburse such funds as directed by the Board shall sign all checks of the Association; keep proper books of account; and shall prepare a statement of income and expenditures to be presented to the membership at its regular monthly meetings.

Directors – Customary Duties. In addition to the duties specifically set forth herein, shall perform the duties of those offices customarily performed by officers of corporations.
