	Once again the residents of Highlands Ridge	
	have stepped up to make another Employee	
	Appreciation Day a success. Thank you so very	
	much to all the residents that made donations so	
	that every employee received a bonus. To the	
	money collectors and the great cooks who	
	helped with the luncheon - it would not have	
	been possible without your help!	

	Making the employees realize we care about the

## Chorale News

By: Karen O’Laughlin, *Secretary*

### GREETINGS and HAPPY NEW YEAR!

I am going to start out by saying how great it is to be back in Chorale! However, as you may be aware, the uptick in Covid-19 Omicron variant had delayed our startup date so we had to delay 2 weeks. Chorale members will have the option of wearing masks that are specific for singing. Our board approved the purchase of these masks and they’ve been ordered for whomever feels the need to wear one. But all returning chorale members are fully vaccinated and it will be up to each individual to do what they feel is best for themselves. We’ve had a few rehearsals and feel confident that we will be ready to perform for you on March 19<sup>th</sup> at 7pm in Founder’s Hall and on March 20<sup>th</sup> at 4pm in St. John Methodist Church in Sebring. It’s wonderful to be together singing again.

But it is with regret that due to circumstances beyond our control, we have to cancel our annual Spaghetti Dinner this year. We do plan on continuing this event next year. We’re very sorry if it disappoints you.

It’s wonderful that so many new residents have decided to join us! We welcome them and hope they will enjoy singing along with us all. It’s such a joy to sing.

See you soon! Please stay healthy!!

**Animal News**Submitted by: Denise Beauparlant, *Resident***CRITTER CORNER**

One of the most difficult aspects of being in pet rescue is when we receive a call from a family who has inherited a pet as a result of the death of the pet owner and the family is either unwilling or unable to continue to care for that pet. The pet is usually suffering from grief and now has not only lost their human companion but also their home. It is truly a heartbreaking situation. Often they are surrendered to a shelter where the animal does not acclimate to their new chaotic surroundings and are subsequently euthanized. We at Sebring Angels are a foster based rescue, so are better prepared to care for these pets.

Recently we attended a seminar given by 2nd Chance 4 Pets ([www.2ndchance4pets.org](http://www.2ndchance4pets.org)), where they explained their mission of educating the pet owner about how to ensure their pets will receive the same type of care they currently provide. They outline 3 steps: 1. Identify Caregivers 2. Prepare written instructions. 3. Set up a fund.

Identify people who would be willing to care for your pets in the hours, days, or weeks after an emergency as well as those who would be willing to adopt your pets should you die or become incapacitated.  
Prepare written instructions outlining how your pets should be cared for. To make sure your wishes are followed, you must document your instructions, and let others know where these instructions are located.  
You currently pay for food, supplies, and medical care for your pets. Should anything happen to you these expenses still need to be covered. Consider setting aside funds to cover temporary or permanent care of your pets. Professionals who can help you include estate planners, financial planners and your life insurance company. Take into consideration the amount you spend each year on your pets and the life expectancy of the pets.

2nd chance 4 pets provides several wonderful resources to assist you in this preparation including a Pet Care Workbook and care instruction forms which can be found on their website which I have listed above.

Since we are a foster based rescue, we are also always looking for loving Foster homes who are willing to take in a pets under these circumstances. Fostering a pet who is grieving is both challenging and rewarding. As they learn to live their new normal, your love and affection will help them to heal. If you are interested in helping with this great project, please call me at 863-368-0208.

**Highlands Ridge Residents Council**

By Susan Ingram, President

After Holly Jolly and Christmas your Resident Council Board of Directors needed to take a deep breath and relax. We have recently approved two requests from our fellow residents. We purchased a patio heater for Founder's Hall gazebo, and we approved a request to purchase storage containers for the Christmas lights that were displayed around the memorial garden at Founder's Hall.

Our meetings continue to be held on the first Tuesday of every month in Founder's Hall gazebo. Please note we have changed the meeting time to 9:45 AM. Our next meeting will be held February 8th.

We welcome your requests and your attendance at our next meeting.

More than 50% of our residents have paid their yearly dues. Thank you very much.

If you haven't paid your dues yet, please do so asap. The dues are \$5 per person or \$10 per household and can be dropped off in the Highlands Ridge Holding mailbox. If you are playing with cash, please include your name and address. Thank you. Checks should be made out to HRRC.

The Residents Council wants you to be able to meet your new neighbors. We have so many new residents to welcome. What better way to do that then to have a neighborhood block party!

If someone in your village would like to plan a block party, the Residents Council will help with some of the monetary obligations. In the past, many villages have had a pot luck at Founders Hall or have reserved one of the screen rooms at one of the pools.

If you are interested in receiving some financial help, please contact Susan Ingram via phone, text or email. You will need to provide receipts for expenditures. Please keep in mind, that the Residents Council financial support will be based on the size of your village.

You may contact Susan at 231-263-7472 or [susaningram1969@gmail.com](mailto:susaningram1969@gmail.com).

The Residents Council hopes this motivates some of you to get out and meet your new neighbors!!!

I was hoping to be able to let everyone know the outcome of the Covenant Amendment vote. However, due to our concern about keeping everyone healthy, the vote has been rescheduled to FEBRUARY 6 AT 3:00 PM. As I walked though Arbor Green talking to my neighbors, I found people had questions about what some of the amendments really meant. Now that the vote has been rescheduled, please take this opportunity to contact any of the Board members if you have questions or need an amendment clarified.

## LGA NEWS

By: Marianne Fischer, Vice-President [mnfpar@charter.net](mailto:mnfpar@charter.net)

We have experienced a few more weather ups and downs since the last report but the complaints are few since we feel so lucky to be able to enjoy the game we love. The LGA participation continues to increase and we want to remind those who are in Highlands Ridge for just a few weeks, that membership in the LGA is open to them for a fee of \$20.00. An active schedule is planned with many special events slated for the remainder of the season.

We just completed the two day 2 x 4 tournament on both courses in the cold, blustery weather with 52 players competing in four different 9 hole formats: Heavy Partner, Scramble, Best Ball, and Alternate Shot. Great fun which culminated with a delicious luncheon at Three Gens followed by a brief meeting. The tournament was chaired by Deb Martens and Marge Freeman who can always be counted on for a great event. Thanks also to Bruce Martens for score cards and charting winners.

Winners were:

1<sup>st</sup> Flight: Ann Meyer & Becky Hobbs, 1<sup>st</sup>; Marianne Fischer & Karen Landry, 2<sup>nd</sup>; Karen Swan & Pat Olesek, 3<sup>rd</sup>.

2<sup>nd</sup> Flight: Sondra Wade & Julie Haviland, 1<sup>st</sup>; Jane Anne Dunham & Sue Schinderle, 2<sup>nd</sup>; Terry Kalis & Evelyn Seeley, 3<sup>rd</sup>.

3<sup>rd</sup> Flight: Deb Martens & Marge Freeman, 1<sup>st</sup>; Mary Ann Wick & Pam Wick, 2<sup>nd</sup>; Nancy Guillemette & Terri Griffin, 3<sup>rd</sup>.

4<sup>th</sup> Flight: Donna Landers & Deb Morgan, 1<sup>st</sup>; Carol Cardwell & Deb Zunk, 2<sup>nd</sup>; Deb Ouillette & Ann Dillman, 3<sup>rd</sup>.

We are looking forward to a Shoot-Out on the back nine of the South Course on the afternoon of January 30<sup>th</sup> which is a format in which players are eliminated on each hole until only two will be vying for the championship on the last hole. It is a great spectator event so if you are reading this before that date, come out and cheer for the courageous participants.

The next three day Round Robin will be played on the South Course on February 7, 9, and 11. It is a popular event so hope you members are already signed up.

The LGA Member/Guest, chaired by Rose Epling, will be here before we know it on March 30<sup>th</sup>. It will be played on the North Course with an 8 o'clock shotgun followed by lunch at Three Gens. It is always a festive time allowing our guests to enjoy our home and golf in Paradise.

### RULES CORNER:

NOTE: MANY RULES HAVE EXCEPTIONS SO DON'T QUIT READING UNTIL YOU HAVE THE WHOLE STORY.

#### Rule 11.1 Ball in Motion Accidentally Hits Person or Outside Influence

##### 11.1a No Penalty to Any Player

If a player's ball in motion accidentally hits any person or outside influence:

There is no penalty to any player.

This is true even if the ball hits the player, the opponent or any other player or any of their caddies or equipment.

**EXCEPTION – Ball Played on Putting Green in Stroke Play:** If the player's ball in motion hits another ball at rest on the putting green and both balls were on the putting green before the stroke, the player gets the **general penalty (two penalty strokes)**.

The next topic about which there have been many questions concerns **NO PLAY ZONES**. DEFINITION: *A part of the course where play is prohibited.* The penalty areas on the North Course defined by **red stakes with green tops** are **NO PLAY ZONES**.

If the player's **ball lies in** such a penalty area, the player is **required** to take relief from the area under penalty of one stroke using relief options under Rule 17 (The player is also forbidden to enter the area to search). If the player's ball does not lie in the penalty area but her stance or her area of intended swing will be in or touch vegetation which is within the penalty area, she **must take free relief** by determining a reference point for such relief as if she were taking relief from a cart path or a sprinkler head. Note that if the interfering vegetation is overhanging the general area outside the penalty area stakes, there is no free relief.

Enjoy your golf as we look forward to Spring!
