Thank you, Bless you, ah shucks, you didn't need to do that - those words can't really express the heartfelt thanks Lynn & I want to say to all of you. The cards, with special notes, the yummy food, gifts to brighten my day, the visits to lift my spirits, all are so very special acts of kindness that abounds in this community.

Thank you all - you're so special!

God Bless, Joellyn Hufford

A great big thank you to all who remembered me during my recent hospital stay. The prayers, lovely cards, phone calls, words of encouragement and food were very much appreciated. I am so blessed. WOW!! What a wonderful place to live. You all make Highlands Ridge a true paradise.

Gratefully, Mary Ann Wick

At a recent board meeting, I was reminded of the many contributions to Samaritan's Touch Care Center from the residents at Highlands Ridge. Once again I want to thank you for your thoughtfulness and generosity. It might be clothes, shampoos and soap from your travels, empty pill bottles, unopened prescriptions, food, bicycles, or money, it is all used to make a difference with the less fortunate and homeless in Highlands county. I thank you so much for your support of this amazing ministry. By the way STCC celebrates its 15th birthday in May. Paul Scruton

Chorale News

By: Karen O'Laughlin, *Secretary*

Well, here we are again, nearing the end of another season in our own little piece of Paradise. Many of our friends and neighbors will be returning to their northern homes, leaving the rest of us to endure the heat and humidity of Paradise in the summer! There is good and bad in staying here year 'round. Certainly US 27 is much easier to navigate and the restaurants usually have no waiting. But not having our friends nearby is always the hardest part. We will all hope and pray the 2022 hurricane season is kind to all of us in our beautiful United States. There has been enough tragedy with hurricanes, and the fires, floods, mudslides, tornadoes not to mention the latest snow storm to hit again. It's unimaginable what many of our citizens have had to endure...and are still living their own nightmare.

We in Chorale hope you enjoyed our spring concert, "Like 'Noun' Other"! It was a real treat to sing it for you all. It is fun to sing songs everyone knows! Our soloists were outstanding as were our wonderful musicians that truly help make the program so special. Thank you to all of these most talented people. If you missed it, it's your loss! Just don't make a habit of it! Ha!

THANK YOU THANK YOU THANK YOU THANK YOU

So, I can only end this by saying **THANK YOU** to you all that have supported us this year by coming to our concerts, eating with us at our Spaghetti Dinner, and a special thank you to all of you that have become HR Chorale **PATRONS!** We truly appreciate you all!! We look forward to seeing and singing for you again this fall. Remember, if you get the urge to join our vocal family, please don't hesitate to contact one of our wonderful directors, Sue Shellhammer or Cindy Becker! (they are in the book!) They will give you a quick, private audition! We'd love to have you! And you men out there, we have a lot of golfers in chorale so it really doesn't affect your games! So, any tenors, baritones, or bass voices out there, come on and join us!

As the song says, "**See you in September, see you when the summer's through**". Have a safe and healthy summer! Come back ready to have fun and sing!

SING! SING A SONG! SING OUT LOUD, SING OUT STRONG! SING OF GOOD THINGS, NOT BAD. SING OF HAPPY NOT SAD..... JUST SING, SING A SONG!

Happy Summer Everyone!

CRITTER CORNER

Lots of new residents have joined our community, and with them have come lots of beautiful dogs! This month I'd like to do a reminder of some basic dog etiquette.

Believe it or not there are people who do not like dogs or are afraid of them. When walking your dog, please do not let them approach people uninvited. Even when invited, your dog should be in a sit position, so they don't jump up for attention. Even a minor skin tear on people in our age group can be dangerous.

Also never let your dog approach another dog, especially a strange dog. Trainers will tell you to do a few "walk by's" before introductions are made. This way both dogs do not feel threatened. Also understand that dog's behavior can be influenced, and even change due to changes at home. Our dog Barney used to love all other dogs, but with the turmoil of this past year due to Hank's stroke, he has become a bit protective. I ask people he's not familiar with, to honor our safe area, that's normally a 6 ft circle. Another trick trainers use, and now everyone understands the 6 ft rule.

Now on to a topic that seems to always be an issue in many communities, picking up after your dog.

While giving a talk at a neighboring community recently I saw the best sign that said: "please pick up after your dog, the Poop Fairy doesn't live here". Leaving your dog's feces for others to clean up, is not only unfair, but it's unhealthy for your dog and others. There are various dog pots throughout the community, so there's really no excuse. Last week I had to clean up someone's else's dog droppings right next to the dog pot!

Let's all do our part to making this a respectful dog community!

So welcome dog owners! There are lots of fun things to do with your dog's here in Central Florida, so get out there and explore with your fur buddy before the heat of summer settles back in.

Book Club News

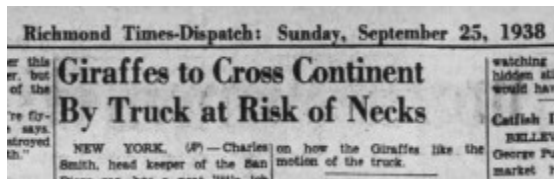

By Mary E Harden, resident

It's 1938. The great depression lingers. Hitler is threatening Europe and world-weary Americans long for wonder. They find it in two giraffes who miraculously survive a hurricane while crossing the Atlantic. What follows is a twelve-day road trip in a custom truck to deliver them to the San Diego Zoo. Inspired by true events, the author, Lynda Rutledge, weaves real-life figures with fictional ones, including the world's first female zoo director, a crusty old man with a past, a young female photographer with a secret and assorted reprobates as spotty as the giraffes.

"West With Giraffes" is part adventure, part historical saga, and part coming of age love story. Who knew that a story about giraffes could be so captivating?

The hurricane giraffes had made national headlines.

Marina Cove HOA

By: Susan Butrymowicz, President

On Mar.7th, Steve Safford, a veteran and member of Chapter 1097 Vets in Sebring, and Kathy Fenoff on the board of Directors for Marina Cove, presented the quarter raffle proceeds to their president Fred Norton. The check was for \$5,180.50. This was an exciting time for the Vets who have many projects they are working on. Some of the areas they cover are sponsoring a PTSD group, having 3 certified volunteers working with hospice, helping widows of Vets with everything from yard work to financial aid. They provide transportation to Dr. appointments and groceries. There are 6 members driving the VA vans that take Vets to appointments in St. Pete, Cape Coral and Bradenton. Other activities are collecting health items such as potty chairs, wheelchairs, and power wheelchairs. They hold raffles, sell poppies, assist in fundraising, provide stuffed animals for the sheriff's dept. and local fire dept.'s. Again, a huge Thank You to all that participated in the community and in town. Without you, this fundraiser would not have been the success that it was.

We have our annual meeting on April 4th at 6:30 pm at Founder's Hall. You must have paid your \$15.00 dues prior to this meeting in order to receive a ballot. Bruce Mann, our treasurer, will be at the door collecting it if you haven't had the chance to get it paid before. Checks are made out to Marina Cove.

THERE IS ONE VOTE PER HOUSEHOLD!

There are (5) five candidates who are running at this time. There are (4) openings. Our candidates are Bruce Mann, our current treasurer, Kelly Power, Elaine Hall, Gary Kisner and Dean Lemler. New residents have been invited and will be introduced. Those that have passed will be remembered. Please plan on attending.

"Let's Keep Highlands Ridge Beautiful"

Highlands Ridge Resident's Council

By: Susan Ingram *President*

Your HR Residents Council is still willing to help sponsor a block party in your village. It's a great way to welcome your new neighbors and to socialize. Maybe, you would like to organize a smaller gathering such as just the people on your street. We recognize that planning a party for some of our larger villages may seem overwhelming.

Examples: In Marina Cove, you may want to plan a block party for your neighbors on Dockside, or in Hidden Creek, a party for those living on Pebble Creek only may work better than the entire village. The Residents Council will provide some monetary assistance based on the number of homes included. We will need receipts for your purchases.

Please contact Susan Ingram: 231-263-7472, call or text, or email susaningram1969@gmail.com for more information.

The Villages of Highlands Ridge HOA

By: Linda Hathorn, *Secretary*

It's hard to believe that April is already here. The HRHOA annual meeting has been held and there are new members of the HOA Board. This is my last Gazette Article and please join me in congratulating the new Board members and in addition, giving them our full support. I have learned many new things while serving as Secretary of the HOA. I believe the most important thing I have learned is realizing that it does take the commitment and support of many people to keep our Highlands Ridge, Paradise. I would like to encourage everyone to get involved in some way. The Board is open to ideas, constructive criticism and volunteering when needed. Attending the Board meetings and giving feedback is always appreciated. A Big Thank You should go out to the outgoing Board members for their service, especially with the work involved in the Covenant amendment vote. Each Amendment passed and they have been recorded in the Highland County Courts so they are now effective and enforceable. To those of you who are headed North, soon, have safe travels and we will see you in the fall.

Happy April! Amendments to our By Laws will be presented at our April Farewell Luncheon. These amendments pertain to the establishment of our Associate Membership and dues. A very special thank you to Rhoda Thiel for chairing our Tournament Committee for several years. Rhoda's dedication to our LGA 9 Hole League has been outstanding. So much enjoyment in our tournaments with surprises along the way. Equally important to our league has been the dedication of Brenda Scruton and Mary Jacobs for their outstanding job with the Rules Committee and for updating us as changes were made. All these ladies deserve a round of applause for their service.

Our St. Patrick's golf tournament was enjoyed by all, especially by the winners:

LGA NEWS

By: Marianne Fischer, Vice-President mnfpar@charter.net

Time is flying by as we move toward the end of our 2021-2022 season and we will soon see the exodus of many of our partial year participants. It is time to pay the LGA Eighteen Hole League dues of \$20.00 for the new year beginning in April. Those dues should be paid by check to our treasurer, Georgia Trissell.

Our Farewell Scramble will be held April 6th on the North Course with a shotgun start at 8:00 AM followed by lunch and meeting at Three Gens. At that time a slate of officers will be elected to serve during the 2022-2023 season which runs from April through March. The officers are assisted each year by a talented group of committee members who manage the special events and the score keeping for the year. Please make it known to the officers if you are willing to help as it is a great way to get acquainted and involved with all your fellow golfers.

As it is recommended that each member choose the tees from which they will be playing for the whole season, this is a good time to let the vice-president know if you will be changing tees. It is preferred that the change be made only once. Another thing to note is that scores should be posted on the same day the golf round is played so that the handicap system will accurately reflect any changes in handicap quickly and make adjustments for severe course conditions if applicable.

Congratulations to Carol Mitchell who scored a Hole-In-One on Hole #13 this month. What a treat not to have to putt that green! Our Mixer combining the Nine and Eighteen Hole LGA members was held on a beautiful day at the North Course. It was planned by Marge Freeman, Anne Dillman, Marian Nielson and Shirley Olnhausen and included a Mexican themed luncheon at 3 Gens.

Here are the results: (See pictures below)

1st Place - score 66 - Karen Swan, Terri Griffin, Marian Nielson, Charlotte Selvidge
 2nd Place - score 67 - Sharon Borrell, Joan White, Donna Landers, Jenny Bilyeou
 3rd Place - score 69 - Evelyn Seely, Kathie Sutherland, Lucille Ferrigan, Winnie Kelly
 4th Place - score 69 - Ann Meyer, Nancy Guillemette, Cheryl Shine, Rhoda Thiel
 5th Place - score 69 - Georgia Trissell, Deb Reimer, Anne Dillman, Doris Morenzoni
 6th Place - score 69 - Marianne Fischer, Connie Carter, Linda Sosely, Annie Ulery

The Choose Up which also combined several 9-hole members with 18-holers was held a couple of weeks later on the South Course. It was organized by Nancy Owens and the teams were chosen by the D flight players. Lunch was enjoyed following play at 3 Gens. Many of the participants showed their support for the people of Ukraine by wearing blue and yellow golfing attire.

The winners were:

1st Place - Score 66 - Donna Landers, Sheila Chiarandini, Karen Swan, Marge Freeman
 2nd Place - Score 67 - Card Match - Lynn Schaefer, Judy Artos, Arlene Taylor, Bobbi Pinckney
 3rd Place - Score 67 - Card Match - Susan Beaudoin, Marianne Fischer, Shelia Bowman, Shirley Olnhausen
 4th Place - Score 68 - Mary Ann Beyer, Pam Wick, Joan White, Terry Kalis
 5th Place - Score 69 - Elaine Wiener, Karen Landry, Willie Faye Myers, Cathy Miner

I hope space allows for the pictures below.

I'm imagine that the results of the Ryder Cup matches are reported in this edition as well. It was the second year for the event which combined players from all golf groups in a match play format over two days and two courses to determine bragging rites until next year. It appears so far that blue is a lucky color. If you didn't take part, you MUST reconsider next year.

The Ladies Member/Guest will be held on March 30th on the North Course so look for results next month if you are reading this before that date.

Safe travels to all who will be seeking adventure in new places soon!
