Book Club News

By Mary E Harden, *Resident*

The book club is on hiatus for the summer as usual. At our last meeting, we talked about "Eternal", by Lisa Scottoline. Unfolding over decades, Eternal is a tale of loyalty and loss, family and food, love and war--all set in one of the world's most beautiful cities at its darkest moment.

In the autumn of 1937, as anti-Semitism takes legal root and World War II erupts, Elisabetta, Marco, and Sandro who grew up as the best of friends realize that Mussolini was only the beginning. Everything that the three hold dear--their families, their homes, and their connection to one another--is tested in ways they never could have imagined. This moving novel by a popular bestselling author, is well worth reading.

We will return to our regular schedule in October and will start the new season with "The Beach Tree" by Karen White in October and "The Girl with the Louding Voice" by Abi Dare' in November. Enjoy your summer and we will see you again in the fall.

Library News

They say you should never judge a book by its cover but in the library we find that the dust jacket (aka cover) of our hardback books plays a vital role in determining whether a book circulates or is just consigned to a lonely existence on the shelf. Without the cover what is there to pique your interest??

Of course, in all honesty, this is just an excuse for me to indulge in my obsessive compulsive need to tape the cover to all the hardback books! (I must admit I like to take the cover off myself).

And I would like to extend a big thank you to all the generous residents who keep the supply of new books, puzzles, videos, and magazines coming, providing us with such a wonderful selection for our library. Stop by soon to see what is new in your community library.

CRITTER  CORNER

It's hard to believe summer is already upon us. The heat is beginning to build, and afternoon thunderstorms will soon roll in. Of course this also brings the threat of hurricanes. Being prepared helps to alleviate the anxiety of those constant weather updates.

Let's first address heat issues with your pet. Many people don't realize how hot the pavement gets here in Florida. Yes, you need to be concerned not only about burning your dogs paws, but small dogs under 12 lbs can suffer severe injury from walking across 160 degree pavement. If you can't find a shady path across the street, pick your little one up and carry them over to that next patch of grass! Of course its better for everyone to take those walks early in the morning, or as the sun is setting, to keep it safe. Always having fresh clean water available, it essential for all of us and our pets.

As we begin to prepare for hurricane season stocking up on pet food can be a real stressor during this supply shortage. It is harder and harder to find the usual cat and dog food you may use. With cats this is a true challenge, because we all know how fussy they can be. Often times searching the Internet can get you the food they like. chewy.com is a great source and they have free shipping on most orders. If you use dry cat or dog food, they are advising that more shortages of those supplies lie ahead. Buy an extra bag, and store it in a cool place.

One of the most important steps you can take in your preparation, is to be certain you have identification on your pet. Of course an up to date tag is one step, but a microchip is the best. You can take your pet to Highlands County Animal Services any day from 9-4 and get your pet chipped for \$10. It's the best way to be reunited with your pet. Don't forget to have your pet carriers and crates readily available, if evacuation is the only option. Remember, in times of state emergencies, hotels are required to accept pets.

Let's hope hurricane season passes us by this year, and we all just enjoy the quiet that summer brings!

**Paradise Pride Update**

By: Pam Wick, President

Paradise Pride is a committee within Highlands Ridge that realizes the importance of our courses, not only for our home values, but also for the enjoyment of our residents, guests, public and community. Our mission statement is: To make Highlands Ridge golf course enhancements for our residents and welcomed guests.

We've had a pretty slow summer. Our group has been coordinating and prioritizing a calendar for October – April, to plan out events and projects. More to come on that as details are finalized.

If you are interested in helping with these events or if you have a special talent or just want to donate money – please contact any of these committee members: Pam Wick, Marilyn Videbeck, Cheryl Racicot, Larry Ferrigan, Gary Kinser, Glenn or Nancy Guillemette.

Thank you for all your continued support in our efforts to make Paradise a little bit better.

By: Phil Hunter, *Secretary*

Hope everyone who traveled North has arrived safe and sound. I'm sitting here in my Northern NY home looking out at the beautiful St. Lawrence River as I write this MGA article.

The 2022-23 MGA Board members are: Randy Odell, Sonny Baltzell, Phil Hunter, Bob Landry, Glenn Guillemette and John Ouillette. We will be updating the Constitution and By-Laws in the fall.

\$20 dues are expected to be paid before the WELCOME BACK SCRAMBLE on Tues., 11/8 at 8:00 a.m. at the South Course or before the first event you play in.

Congratulations to Lynn Hufford for his first EVER hole-in-one that took place at the N. Course while playing with Bruce Martens and Tom Tirdil. Lynn has received a \$50 MGA payout as all MGA members do when their HIO is witnessed by another MGA member.

Here are the team, individual and season long pts winners for our last PLAY WITH THE HR PRO that took place on April 12th:

The Board will be instituting a new SEASON LONG POINTS SYSTEM in which MGA members are awarded points for participating in MGA events. Hope everyone has a great summer and returns safely to Highlands Ridge.
