Many thanks to all of you in Highlands Ridge for your  
condolences, cards, delicious food and baked goods as a  
result of the passing of Claudine, the love of my life.

I cannot thank you enough for your kindness and  
thoughtfulness during a very difficult time.

What a wonderful community to live in. ~ Bob Hubinek

We are writing a few lines to say goodbye, after being Highlands Ridge residents since March 1993 – where does time go? It has been a pleasure to live in this wonderful community, and also an honor to become U.S. citizens in 2010. Whilst we are not returning to our native U.K., we are going to live in Spain where we lived for many years before coming here. It will take us much closer to family, long haul flights do not get easier. We would like to wish everyone a very Merry Christmas and hope that the New Year brings health and world stability in these troubling times. Our e-mail will remain the same, [PeterRandSylviaB@gmail.com](mailto:PeterRandSylviaB@gmail.com).

### Alzheimer Caregivers' Support Group in Highlands Ridge

We will have our monthly meeting on Tuesday, December 6 at 2:00-3:30 in the Gazebo next to Founders' Hall. This group is for those who are caring for friends and/or family members who have Alzheimer's or other dementia-related diagnoses. Our mission is to provide support and resources/information to caregivers and friends who need a place to share their stories and get answers to questions concerning this disorder. We invite you to attend the discussion and get more familiar with others here in Highlands Ridge whose loved ones are living with dementia. For information or questions, please call Sue Purdy at 614-457-2855.

## Pickleball Club

By: Dennis Ouillette

Eleven reasons you may want to try pickleball.

1. Invented in 1965, Pickleball is one of the most popular sports in America.
2. Pickleball has been recognized by the Sports and Fitness Industry Association as the fastest growing sport in the U.S. In the past 6 years there has been a 600% increase in the number of pickleball players.
3. The sport is suitable for all ages (over 70% of players are over 60 years of age)
4. There are over 38,000 pickleball courts in the U.S.
5. The sport is a combination of tennis, badminton and ping pong.
6. The first U.S. Pickleball national championship was held in 2016; in 2021 CBS was the first major network to televise the U.S. Pickleball Championship.
7. Pickleball is very affordable to play; average cost of a paddle is \$50 - \$75.
8. Florida is the Pickleball Capital of the U.S.
9. The IFP is looking at obtaining recognition from the Olympic Committee to make pickleball an Olympic event.
10. Pickleball is great to improve cognitive function and hand-eye coordination.
11. Pickleball is FUN.

So if you are interested in learning this great game there is going to be a Pickleball Clinic held here at Highlands Ridge sometime in November or early December.

There is no cost to enroll in the clinic.

The clinic will be for beginning and intermediate players.

The clinic is being sponsored by Kim Oppold of Edward Jones.

More information to follow once the clinic has been scheduled.

## Chorale News

By: Karen O'Laughlin, *Secretary*

### Merry Christmas Highland Ridge!

I'm sure you all have heard by now that with the recent Covid resurgence that under an abundance of caution the Highlands Ridge Chorale had come to the hard decision to cancel (again) this year's Christmas Concert. With so much Covid around us recently in our community it was really the only logical conclusion we could come up with. Too many of our members came down with the virus, and we couldn't risk spreading it further. We talked about postponement, but many of our chorale members leave for the holidays that we really didn't have time to rehearse for a January date. It's sad for us all, but particularly for our wonderful director who puts her heart and soul into each and every rehearsal for us to be better and better. So, we'll just hope we can reunite healthy and better than ever and do the same concert next year.

So, now it's on to the Spring Concert! We will be on hiatus until after the new year, but then we will start all over again.....God willing, and Covid be gone!!! That concert is scheduled for March 18<sup>th</sup> in Founder's Hall and a second concert on Sunday, March 19 in St. John's Methodist Church.

There will be a lot of work ahead as we start our Patron Program. Especially since we couldn't sing for you. But, if you do enjoy hearing us, please consider giving a tax-deductible \$50 check to become a HR Chorale Patron. It takes quite a bit of money to buy the music we perform, and with new members joining us we need new performing tops and vests not to mention the added musicians that join us to make the concert so wonderful. You can give a check made out to HR Chorale, to any chorale member or go to the office they have forms to fill out. Then drop it and your check off to Jo Johnson. Her address is on the form. Thank you in advance!

Also, we will hopefully be having our annual Spaghetti Dinner this year on **February 19**. This is our most successful fund raiser. Hopefully by then Covid will have run its course. We plan to have two seatings, starting at 4:30pm and 6:00pm. Tickets will be \$10.00 each for the spaghetti & meatball dinner, salad, rolls and dessert. It's really quite the bargain!!! And it is prepared and served by all the chorale members and their helpers. Tickets should go on sale soon. There will be members cruising all of HR for you to purchase tickets. You won't be able to avoid them! So, get your tickets early as they sell out fast!

**Have a Happy (and healthy) New Year!**

**Animal News**Submitted by: Denise Beauparlant, *Resident***CRITTER CORNER****WHEN I AM OLD**

When I am old...

I will wear soft gray sweatshirts...  
and a bandana over my silver hair...  
and I will spend my social security checks on my dogs.

I will sit in my house on my well-worn chair  
and listen to my dogs breathing.  
I will sneak out in the middle of a warm summer night  
and take my dogs for a run, if my old bones will allow...

When people come to call, I will smile and nod  
as I show them my dogs...  
and talk of them and about them...  
...the ones so beloved of the past  
and the ones so beloved of today...

I will still work hard cleaning after them,  
mopping and feeding them and whispering their names  
in a soft loving way.  
I will wear the gleaming sweat on my throat,  
like a jewel, and I will be an embarrassment to all...  
especially my family...  
who have not yet found the peace in being free  
to have dogs as your best friends...

These friends who always wait, at any hour, for your footfall...  
and eagerly jump to their feet out of a sound sleep,  
to greet you as if you are a God,  
with warm eyes full of adoring love and hope  
that you will always stay,

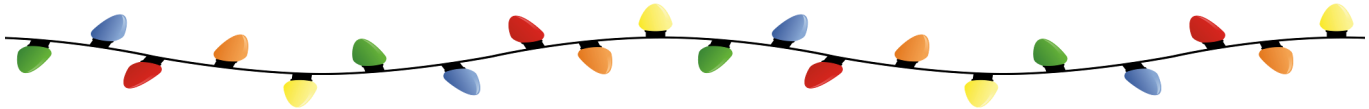

I'll hug their big strong necks...  
I'll kiss their dear sweet heads...  
and whisper in their very special company....

I look in the mirror... and see I am getting old....  
this is the kind of person I am...  
and have always been.

Loving dogs is easy, they are part of me.

Please accept me for who I am.  
My dogs appreciate my presence in their  
lives...  
they love my presence in their lives...

When I am old this will be important to  
me...  
you will understand when you are old,  
if you have dogs to love too.

Tennis has resumed for the season and we welcome new players and old friends. We play Tuesdays at 9 am and Saturdays at 9:30 am. So, if you only have half an hour or so, feel free to drop in. Spare rackets are available.

Contact Carla or Don Hebert [scad2@hotmail.ca](mailto:scad2@hotmail.ca) with questions or just show up!

## Book Club News

by Mary Ann Romer, Resident

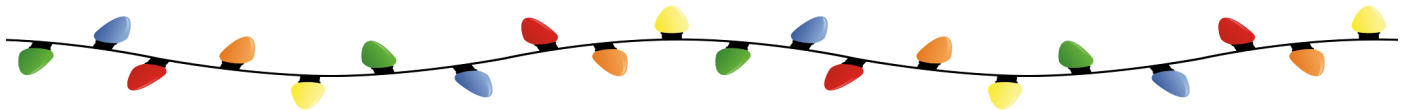

At the November book club we had a stimulating discussion of "The Beach Trees" by Karen White. This is the story of one woman's journey into a secret past--and a life she never expected on the ravaged coast of Biloxi, Mississippi.... Working at an auction house in New York, Julie Holt meets a struggling artist and single mother, Monica Guidry, who reminds her very much of her missing younger sister. Monica Guidry paints a vivid picture of her Southern family through stories, but never says why.

Sorry many of you were not there, but I encourage you to read the book. I hope you enjoyed your Thanksgiving holiday with family and friends.

December 15 will be our next meeting. It was decided that we have lunch at 3-GEN'S at 12 Noon instead of at the Gazebo at 1:30PM. We will discuss the book, "The Girl With the Louding Voice", by Abi Dare'

This is the unforgettable, inspiring story of a teenage girl growing up in a rural Nigerian village who longs to get an education so that she can find her "louding voice" and speak up for herself, "The Girl with the Louding Voice" by Abi Dare' is a simultaneously heartbreaking and triumphant tale about the power of fighting for your dreams. Thoughtful themes include women's rights, equal access to education, finding your voice, overcoming oppression, hope for the future, women as mentors/role models, and friendship. Even though this is a heartbreaking read, I highly recommend "The Girl With the Louding Voice".

I hope to see the reading enthusiasts in December. Please contact Mary Ann Romer at 863-314-0422, or email at [matromer@aol.com](mailto:matromer@aol.com) in order to reserve space for lunch.

The Star of Bethlehem

Matthew 2:1-11 KJV

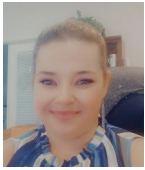

[1] Now when Jesus was born in Bethlehem of Judaea in the days of Herod the king, behold, there came wise men from the east to Jerusalem, [2] Saying, Where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship him. [3] When Herod the king had heard these things, he was troubled, and all Jerusalem with him. [4] And when he had gathered all the chief priests and scribes of the people together, he demanded of them where Christ should be born. [5] And they said unto him, In Bethlehem of Judaea: for thus it is written by the prophet, [6] And thou Bethlehem, in the land of Juda, art not the least among the princes of Juda: for out of thee shall come a Governor, that shall rule my people Israel. [7] Then Herod, when he had privily called the wise men, enquired of them diligently what time the star appeared. [8] And he sent them to Bethlehem, and said, Go and search diligently fo the young child; and when ye have found him, bring me word again, that I may come and worship him also. [9] When they had heard the king, they departed; and, lo, the star, which they saw in the east, went before them, till it came and stood over where the young child was. [10] When they saw the star, they rejoiced with exceeding great joy. [11] And when they were come into the house, they saw the young child with Mary his mother, and fell down, and worshipped him: and when they had opened their treasures, they presented unto him gifts; gold, and frankincense, and myrrh.

I find it very interesting, that the birth of Jesus seemed to take many by surprise. It shouldn't have. Messiah was predicted to come all throughout scripture. But, as we know. Most did.

The magi from the east, no doubt, from the likes of Babylon, where there seems to be a school for such study of the ,stars,constellations astronomy and science where ones that did see it coming.

Indeed, something special happened, and they were compelled to follow the star to confirm what the meaning of such a display .The disorder in the heavenly skies compelled them to take action.To see it first hand.

Hope you all had a great Thanksgiving and have a blessed Christmas season.

"Let's Keep Highlands Ridge Beautiful"

### The Villages of Highlands Ridge HOA

By: Judy Burmaster, *Secretary*

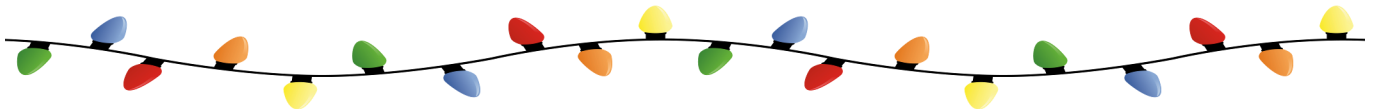

Despite the bad weather, several people attended the November HOA meeting. Mark Gose was unable to attend because of a family commitment, but Pat reported that not much had changed since the last meeting. It looks like closing on the courses will still be December 7<sup>th</sup>. Terry Suits has produced a form to do the 55+ audit. There will be 3 different ways for you to submit this information so be looking for more about this. Nancy Owens and her committee have been working on the Rules and Regulations which will help define our covenants. More information will be coming out about this also. Heather provided information that the locks have been changed on Founders Hall and all activity rooms. She will be putting out more information on how new keys will be available for all residents.

### Marina Cove HOA

By: Elaine Hall, *Secretary*

The Marina Cove Board met November 3, 2022 at 2:30 PM. Several residents attended the meeting. Items that were discussed were the Food for Families food drive that will be held November 9th. ### Highlands Ridge Resident's Council

By: Susan Ingram *President*

The Residents Council would like to welcome back all of our residents who were gone for the summer. It's very quiet around here without you!

Our Acts of Random Kindness Project (ARC) has allowed us to purchase and distribute over 100 gift cards to random residents. These gift cards are valued from \$20 -\$25 and have been from Three Gens, The Tavern, Maryland Fried Chicken, Panera Bread and Publix. It's our way of spreading good cheer to the residents in our community

Holly Jolly is our biggest project of the year. It is scheduled for Saturday, Dec 10, 2022. We will continue to have a golf cart parade, luminaries, golf cart decorating contest, a program in Founders Hall, and hopefully, a home decorating contest. Please mark your calendars and plan on participating.

Our next meeting will be held on Tuesday, December 6th, 2022, at 9:45AM in Founders Hall Gazebo. If your group has a request, please feel free to attend.

## Paradise Pride Update

By: Pam Wick, *President*

Things have been fairly quiet, since we are waiting to meet with the new golf course owners to determine how we can best support them. Once we receive direction/advice from them we will be able to update you on future projects.

If you play in the Fall-Spring Couples League, consider signing up for the Hole-In-One Challenge. Anyone that has a hole-in-one during couples play, will split half of the collected money. (The other half goes to Paradise Pride to pay for projects). Entry fee is \$5 – which is good for the entire season - October 2022 through April 2023. Congratulations to Rose Epling!! She was the only participant that recorded a Hole-In-One during last year's contest. Well done, Rose!

Paradise Pride is a committee within Highlands Ridge that realizes the importance of our courses, not only for our home values, but also for the enjoyment of our residents, guests, public and community.

Our mission statement is: To make Highlands Ridge golf course enhancements for our residents and welcomed guests.

If you are interested in helping with any events or if you have a special talent or just want to donate money – please contact any of these committee members: Pam Wick, Marilyn Videbeck, Cheryl Racicot, Larry Ferrigan, Gary Kinser, Glenn or Nancy Guillemette.

Thank you for all your continued support in our efforts to make Paradise a little bit better.
